

REMARKS

Claims 1-27 stand rejected under 35 U.S.C. 112 as being as indefinite with the Examiner reasoning that claims 1, 21 and 26 are ambiguous. The claims have been amended to address the issues raised by the Examiner. However, the abbreviation "RF" has been replaced with "radio frequency" since the utilization of "radio frequency RF" would involve a redundant recitation since RF is understood by those skilled in the art to be radio frequency.

An early action on the merits is respectfully requested.

To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. §1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (1156.41274X00) and please credit any excess fees to such Deposit Account.

Respectfully submitted,
